

FREEZABLE POLICY

The following freezable policy has been established to ensure proper protection and movement of freezable merchandise during the winter months.

- **Service:**
 - Overnight Points – Monday thru Thursday
 - 2nd Day Points – Monday thru WednesdayFort Transportation will NOT accept FREEZABLES on Friday's and any day preceding a Holiday.

- **Palletized Freight:**
 - Fort Transportation will NOT accept product requiring protection unless tendered to Fort Transportation on a pallet.

- **Notations:**
 - The body of the Bill of Lading must be clearly marked "FREEZABLE".
 - The pallet must be clearly labeled "FREEZABLE".

- **Temperature Control:**
 - Fort Transportation will NOT accept shipments requiring specific temperature control (i.e. Maintain at 45 degrees or similar notation).

- **Extreme Conditions:**
 - Fort Transportation will not accept freezable freight when the temperature is below 15 degrees Fahrenheit.

Fort Transportation reserves the right to delay delivery of certain freezable shipments. If there is a choice between delivering the shipment on time and exposing it to freezing or to protect the shipment with a delay of delivery – Fort Transportation chooses to protect and delay.

Please refer to item number 1280 in our rules tariff (<http://www.shipwithfort.com/forms/FTSC-100E-Rules-Tariff.pdf>) for our complete freezable policy.
